WHY JACKSON ARE AMONG THE BEST CATCHING LURES IN THE WORLD

Jackson's secret is their master Japanese lure designers who constantly direct their focus to optimise both casting and retrieve actions for their unique lures. In addition, a large number of Jackson lures are unusually heavy for their size which enhances their casting distance and gets the lures down quickly to where the fish are.

Jackson LURES

Don't waste your time and money with inferior lures, go straight to Jackson.

WIN!

2 SETS TO GIVE AWAY

Daiwa
BG MQ ARK REELS
 7 reels in each set

HOW TO ENTER

Every \$100 spent on Daiwa products in-store between now and Christmas Eve gets you one entry into the Daiwa BG MQ Ark competition.

There will be one finalist drawn at each store on Christmas Eve who will receive a \$100 Tackle World gift voucher.

TWO winners will be drawn nationally on 10/01/22 3pm and each receive **a collection of 7 BG MQ Ark Reels** sizes 5000 to 20000.

Winners will be contacted by both phone and email and posted on Tackle World Australia Instagram and Facebook.

See tackleworld.com.au for all Terms & Conditions and Permit details.

*Prize pool of \$2,633 per winner.
